SUPPORTING INFORMATION

Attach information addressing the criteria provided in the call for nominations. A maximum of 500 words should be provided describing the project and the way in which it meets the criteria, although any pre-existing material that supports the nomination can be also attached.

Provide a 75 word citation that can be read at the award presentation, in press releases, on the Simulation Australasia web site, and for other related purposes.

A checklist for these requirements is provided overleaf.

APPLICATION DEADLINE: Completed nominations must be received at the Simulation Australasia office prior to 1800 (AEST) on Wednesday 16 August 2017.

The judges reserve the right to request additional information to assist in making their decision.

Nominations should be forwarded to the Simulation Australasia office - admin@simaust.com

Nomination Checklist

Topic/Criteria	Check
The nomination addresses the project's achievements in one or more of the categories:	
<ul style="list-style-type: none"> • Applied Research 	<input type="checkbox"/>
<ul style="list-style-type: none"> • Development Projects 	<input type="checkbox"/>
<ul style="list-style-type: none"> • Operations/Management 	<input type="checkbox"/>
<ul style="list-style-type: none"> • Education 	<input type="checkbox"/>
The project size is defined: (actual completed cost, not budget)	
<ul style="list-style-type: none"> • less than 2.5M AUD or 	<input type="checkbox"/>
<ul style="list-style-type: none"> • greater than or equal to 2.5MAUD 	<input type="checkbox"/>
The nomination provides information on the following aspects of the project:	
<ul style="list-style-type: none"> • Originality and innovation 	<input type="checkbox"/>
<ul style="list-style-type: none"> • Future value to the simulation profession, and to the community as a whole. Evidence of leadership and a vision for the project will be a consideration. Projects showing a longer term viability, or capability for future development will be rated more highly. 	<input type="checkbox"/>
<ul style="list-style-type: none"> • The extent to which the project considers or addresses social, economic and sustainability issues. Information regarding the ethics of the project team's manner of operation in progressing the project should be provided. 	<input type="checkbox"/>
<ul style="list-style-type: none"> • Complexity (Note complexity can be related to scientific, technical, commercial or other factors) 	<input type="checkbox"/>
<ul style="list-style-type: none"> • The extent to which the project met or exceeded customer/sponsor expectations. Information provided against this criterion should address how the project met or exceed schedule, budget and capability requirements of the project. Commercially sensitive details should not be provided, but objective measures of performance in these areas need to be included. Value for money assessments from a customer/sponsor perspective are recommended. Where applicable, information provided should document the effectiveness of the project in operation. 	<input type="checkbox"/>
The nomination form clearly shows that the either:	<input type="checkbox"/>
<ul style="list-style-type: none"> • The project was executed in a location within Australia or New Zealand, or • The institutions responsible for the project are based within Australia or New Zealand. 	<input type="checkbox"/>
The nomination addresses the completion status of the work.	<input type="checkbox"/>
The Project has been completed or has been operational for a minimum of 6 months, but no more than 5 years.	<input type="checkbox"/>
75 word citation provided	<input type="checkbox"/>
PowerPoint presentation summarising the project (including relevant images) is provided.	<input type="checkbox"/>
